

Women of Habitat Kent Corporate Partnerships

Building stronger communities with Women of Habitat Kent

A Women of Habitat Kent corporate partnership can give your company a way to enunciate your social responsibility strategy clearly and concisely - helping build communities where everyone has a decent place to live. With your support, Habitat Kent provides:

- Affordable homeownership opportunities
- Financial education and financial literacy programs
- Volunteer experiences that bring together future homeowners, neighbors and community members
- Networking and professional development opportunities specifically for women in our community

Your impact

Sponsorships are critical to our mission. Our programs help to restore hope, strengthen families, and ensure more children grow up in a stable, healthy home where they can truly thrive. You will see the impact of your contribution and feel the satisfaction of knowing that impact will last for generations.

Your support will allow us to provide equitable solutions that will help families in Kent County. Our mission is to bring people together to build homes, communities, and hope, and we achieve this by providing pathways to affordable homeownership. We partner with homebuyers to secure an affordable mortgage through a third-party lender. We work closely with every homebuyer to ensure they understand their mortgage forms, can access down payment assistance, and answer any questions about their closing. Habitat Kent homebuyers participate in financial education and coaching, as well as homeowner readiness courses as they prepare to purchase their homes. These courses include financial literacy, understanding their mortgage, debt reduction and credit repair, home maintenance, and more.

Your investment will provide the necessary funds to continue to build new, energy star-standard and all-electric homes, and support our homeowner services department that facilitates mortgage services and homebuyer education. By investing in people, we invest in opportunities.
